

DEMOCRATIC MEETINGS.

TWIN TOWNSHIP, July '86.

The Democracy of Twin township met in the School House in New Lexington, and was organized by appointing Samuel Robertson, Chairman, and John Davidson, Secretary.

The object of the meeting, as stated by the Chairman, was to appoint Delegates from said Township to meet the Delegates from the several Townships of the County, in Eaton, on Saturday the 2d of August, to perfect a thorough organization of the Democracy of the County. It was resolved also to form a Twin Township Buchanan Club, which Club was formed by the enrollment of a large number of names of the Union loving Democracy.

The following persons were appointed Delegates to the Convention at Eaton, to wit: S. Robertson, John Best, P. Holtz, John Bowser, Jr., John Genter, Fred Wans, Fred Wagner and Geo. Kison.

A Central Committee of three was appointed for the Township, also a Committee of Correspondence composed of ten persons, after which the meeting was addressed by Mr. Moore, of Butler county, advocating the claims of our well tried standard bearer, Buchanan, Breckinridge and Vallandigham.

On motion was ordered that the proceedings of this meeting be published in the Eaton Democrat.

The meeting then adjourned with six hearty cheers for Buchanan, Breckinridge and Vallandigham.

S. ROBERTSON, Pres.  
R. DAVIDSON, Sec'y.

CAMDEN, Aug. 2, '86.

Pursuant to previous arrangement a goodly number of the Democracy of Camden and vicinity, assembled here on last evening, and proceeded to the formation of a Buchanan and Breckinridge Club.

On motion, Mr. Ira K. Place was elected permanent Chairman, Jas. N. Hart, Vice President, and J. C. Thomas, Secretary; James A. Watt Corresponding Secretary, and David Patton, John Townsend and A. W. Yost, as a Committee of arrangement.

On motion a Committee of five were appointed consisting of Patton, Watt and James N. Hart, to meet the Central Committee at Eaton, on the 2d inst. Other business being transacted, and Mr. Yost being loudly called for came forward and responded in his usual happy style, urging thorough organization upon the part of the Democracy to counteract the baneful influence of the common enemy. He was followed by David Patton, in a plain, but forcible speech, after which it was resolved that the proceedings of this meeting be published in the "Eaton Democrat."

On motion the Club adjourned to meet on Friday evening, the 8th inst., in Camden.

IRA K. PLACE, Chairman.  
JAS. A. WATT, Sec'y.

The Kentucky Election.

LOUISVILLE, Monday, August 4.

The American ticket here to day, considered as a test vote, elected by 2,100 majority. All one-sided.

All very quiet.

In Glasgow the Americans have 130 majority.

In Frankfort the American ticket ahead by 115 majority.

In Shelbyville the American ticket elected by 110 majority.

In Lexington the American ticket elected, except Hall, Democrat, for City Marshall, by 80 majority.

MAKVILLE, Monday, August 4.

Three precincts in full, and balance partial returns. In Mason County, E. C. Phister, Whig, over 200 votes.

Wadsworth was voted for by the Americans and Phister by the Whigs, Democrats and some Americans.

For Circuit Clerk in Mason the contest is very close between Sam Owens, American, and E. F. Metcalfe, Democrat. Metcalfe was also voted for by the Whigs, and is probably elected.

Groves, Democrat, is probably elected Sheriff.

Fleming County, as far as heard from, gives Wadsworth 146 majority, which will probably be increased to 200.

Partial returns from Lewis County give Phister nearly 100 majority, which will be increased to 300 or 400.

In Nicholas County Phister is running ahead. Greenup and Rowen Counties are not heard from, but there is no doubt of Phister's election.

It is reported that Scott County has gone Democratic by 600 majority.

Election in Missouri.

St. Louis, Monday, August 4.

As far as heard from the returns show the vote for Benton 2,336; Polk, Democrat, 1,137; Erving, American, 1,374. For Congress, Kennett, American, 1,639; Reynolds, Democrat 953; Blair, Bentonite, 2,855. The indications are that Blair is elected, but the returns are meagre and unreliable.

State Elections.

The following State Elections this year, occur on the hereinafter mentioned dates:

Kentucky, August 4th.

Alabama, " "

Texas, " "

Missouri, " "

Arkansas, " "

North Carolina, " 7th.

Tennessee, " "

Vermont, September 2d.

California, " 8th.

Maine, " "

Georgia, October 6th.

Florida, " "

South Carolina, " 14th.

Pennsylvania, " "

Ohio, " "

Indiana, " "

These are the States that hold their State and local elections before the Presidential contest closes. There will probably be a great disparity between the result at the local and presidential elections. There are seven or eight of the number where the Buchanan vote will far exceed that cast for Democratic State and County officers.

Read, Foreigners, Read!

Lieut. Gov. Ford, of Ohio, in a recent speech before the Black Republican Convention at Indianapolis, declared that "he was opposed to foreigners. They should be permitted to come to this country to buy land here—to till the soil, but they should be the horses, not the drivers. The Americans would hold their lines, the foreigners could draw the harness." This infamous sentiment was greeted with applause by the Convention—North West.

"One of the Abolition Know Nothing Republican writers from Lawrence, Kansas, to the New York Times, says to the editor:

"You must keep up this Kansas excitement. It is the only element of success for the Republican party in the coming Presidential election."

"The Post Office Department has purchased, for a Post Office in Philadelphia, the grounds and buildings of the Pennsylvania Bank, in Second Street, for the sum of \$250,000. The ground is an extensive lot, and the building one of the finest architectural ornaments of the city.

ABOLITION DISUNION TICKET.

FOR PRESIDENT.

JOHN C. FREMONT, of California.

FOR VICE PRESIDENT.

WILLIAM L. DAYTON, of New Jersey.

ITS PLATFORM.

"I look forward to the day when there shall be a *survive insurrection* in the South, when the black man, stoned with British bayonets and led on by British officers, shall assert his freedom, and wage a war of extermination against his master; when the torch of the incendiary shall light up the cities and towns of the South, and blot out the last vestige of slavery. And though I may not mock at their calamity, nor laugh when their fear cometh, yet I will hail it as the dawn of a political millennium."

There is a higher law than the constitution, which regulates our authority over the domain. It (slavery) can be and must be abolished, and you and I must do it. \* Correct your own error that slavery has any constitutional guarantees which may not be released and ought not to be relinquished. \* You will soon bring the parties of the country into an effective aggression upon slavery."

Wm H. SEWARD.

"The Whig party is not only dead, but it stinks."

"I am willing in a certain state of circumstances to let the Union alone."

"In case of the alternative being presented of the continuance of slavery or a dissolution of the Union, I am for dissolution, and I care not how quick it comes."

ROBERT P. SPALDING.

"On the action of this Convention depends the fate of the country; if the Republicans fall at the ballot box, we will be forced to drive back the slaveocracy with FIRE AND SWORD."

"The time demands and we must have an ANTI-SLAVERY CONSTITUTION, AN ANTI-SLAVERY BIBLE, AND AN ANTI-SLAVERY GOD."

ANSON BURLINGAME.

"The Washington correspondent of the New York Advertiser says:

The telegraphic advices sent from this city to New York concerning an Irish excitement here on the occasion of the acquittal of Herbert, are entirely frivolous. The result was acquiesced in, as a matter of course, by Irishmen as well as others, the trial having been a fair one, and in accordance with the laws of the country.

"Almost every paper in the Union is commenting upon the good qualities and great benefits derived from the use of Dr. J. H. ROBERTSON'S Stomach Bitters, and the immense sales which have been made by our agents in our Southern and Western cities, is conclusive evidence of its virtues, and convinces us that it is just the thing for this climate, and should be used in every family, by old and young, before meals, during this extreme warm weather, as a preventative against all stomach diseases most prevalent at this season, when not only the weather, but the diet has a controlling influence upon the system. For sale by Brooks and Son.

WHY FITS PROMINENT.

For a long time there was a paragraph making its regular weekly appearance in our columns, with the brief, but emphatic words "First Fit!" always at the head, to some an offensive caption, but not so to the benevolent and humane, who could sympathize in the sorrows of others. Some persons are shocked at any indication of disease, and are even thrown into nervous excitement on witnessing a hearse or a coffin. Such are to be pitied. We should always strive to look at disease and death in the face with calmness, and especially take every opportunity for alleviating disease. Viewed in this light, the advertisement of S. S. Hance, of 108 Baltimore street, Baltimore, Md., possesses a certain interest, and those who know of any one suffering from Epilepsy, Spasms, or Fits of any kind, should feel it a pleasure to cut out his advertisement, or in some other way send word to the afflicted of the great value of his remedies. They can be sent to any part of the country by mail—Price, \$3 per box. Two, \$5. Twelve, \$24. July 31—1m.

TESTIMONY OF DOCT. O. BUTCHER.

Green Bank, Pochanahon Co., April 10th, 1855.

Gentlemen:—Some few months since a patient applied to me for medical advice, afflicted with a severe form of secondary syphilis (he had been under the charge of two physicians without relief). I commenced using the regular remedies of the profession, but the disease stubbornly resisted all my efforts. The reputation of Carter's Spanish Mixture having reached me, and being personally acquainted with yourself, I determined to give a trial, and in a short time its good effects were evident, and three bottles cured him.

As an act of justice to suffering humanity, I cannot withhold my testimony to its virtues as an alternative and prompt purifier of the blood, and take pleasure in recommending it to the profession and the public generally.

Yours respectfully,  
O. BUTCHER, M. D.
